

Press release

New distributor for Singapore.

San Jose (USA), March 21, 2024 - 2CRSi (ISIN: FR0013341781), a leading designer and manufacturer of high-performance, energy-efficient computer servers, proudly announces the signing of an exclusive partnership with renowned distributor and integrator Dreamcore Pte. Ltd. based in Singapore.

This signature, estimated at several tens of millions of dollars per year, covers the distribution of the entire 2CRSi product range, with a strong focus on those developed to meet the growing needs of artificial intelligence.

The recent shift towards artificial intelligence, which has resulted in the production of solutions incorporating NVIDIA's latest technologies, continues to generate strong interest worldwide. Having supplied its customers with 2CRSi servers worth around \$18.3 million (list price), Dreamcore is now committed to distributing the 2CRSi brand.

Founded in 2017 in Singapore, Dreamcore Ltd stands out for its commitment to technological excellence and its anticipation of future needs in artificial intelligence. By choosing 2CRSi servers, Dreamcore is poised for significant business operations in Asia.

Taking advantage of their presence at the GTC NVIDIA 2024, 2CRSi and Dreamcore announce the signing of an exclusive contract for the sales and deployment of 2CRSi products and solutions throughout the Singapore region, strengthening their presence in the Asian technology landscape.
