Note: data for the first half of 2021/22 currently being audited.

For the first half of fiscal year 2021/22 (March 1, 2021 to August 31, 2021), 2CRSi recorded a consolidated revenue of €89.8 million, an increase of +14.4% compared to the first half of FY2020/21, a performance driven by the Group's strong commercial momentum that more than offset the loss of the Blade customer¹.

It is worth noting the performance of the Escape Technology subsidiary (+75%), which specializes in visual effects as well as that of Boston Server & Storage Solutions, which grew by 55%.

The top 10 customers represented 46% of the period's revenue for a total amount of €41 million (compared to 49% in the first half of the previous year).

Next event: publication of H1 2021/22 results on 30 November 2021 after market close.

- END -

¹ In H1 2020/21, revenue from this customer represented 13% of consolidated revenues, i.e. €10.1m.
