### **2CRSi announces the signing of a memorandum of understanding (MOU) worth more than 12 million USD over 5 years with ICT Security Agency in East Africa**

---

**Strasbourg (France), the 21<sup>st</sup> February 2024 - 2CRSi (ISIN : FR0013341781), leader in the design and manufacturing of high-performance energy-efficient computer servers, announces the signing of a memorandum of understanding worth more than 12 million USD over 5 years with an East African country.**

The MOU concerns the deployment of a sovereign data center to provide researchers, administrations and public sector companies with hosting, computing and storage capacities enabling the development of National IT solutions.

2CRSi will provide a complete infrastructure (CPU, GPU and data storage) integrating more than 600 servers and network equipment.

The memorandum of understanding also provides for 2CRSi to train local teams in the deployment and management of Cloud solutions. A training program for server manufacturing will also be carried out in the Strasbourg factory, then on site. Through this protocol, 2CRSi delivers not only a set of hardware, but also skills in the latest Cloud technologies.

This new signature confirms the business acceleration observed in recent months by 2CRSi Group, and not only in the United States, but in all regions of the world.
